

# TANZANIA GEOTHERMAL DEVELOPMENT COMPANY LIMITED

Tender No. PA/131/2017-2018/C/01

FOR

**PROVISION OF CONSULTANCY SERVICES FOR PLANNING, DESIGNING, MANAGEMENT AND SUPERVISION OF INFRASTRUCTURE AND DRILLING PROGRAMME OF THREE (3) TEST (SLIM) WELLS AND PRE-FEASIBILITY STUDY FOR GEOTHERMAL RESEVOIR ASSESSMENT AT NGOZI IN MBEYA REGION.**

**RE-ADVERTISED**

## **EXPRESSION OF INTEREST**

Date: 18<sup>th</sup> August, 2017

1. This invitation for expression of interest follows the General Procurement Notice (GPN) which appeared in Tanzania Procurement Journal (TPJ) Issue no. 1821-6021 Vol X-No. 30 Dated 25th July, 2017.
2. The **Tanzania Geothermal Development Company Limited (TGDC)** intends to use fund from Government of Tanzania budget for financial year 2017/2018 and grant from the **Geothermal Risk Mitigation Facility for Eastern Africa (GRMF)** towards the cost of **Ngozi Geothermal Programme** and apply part of the proceeds of these funds and grant to cover eligible payments under the contract for **Provision of consultancy services for Planning, Designing, Management, and Supervision of Infrastructure and Drilling Programme of three (3) test (slim) wells and Prefeasibility Study for Geothermal Reservoir assessment at Ngozi in Mbeya region.**
3. Ngozi geothermal field belongs to the Rungwe Volcanic Province (RVP), situated directly south of Mbeya city, southwest Tanzania at a triple junction of the East African Rift system. The city is further 822 kilometers (tarmac road) northwest of Dar es Salaam, the country's largest commercial city. Mbeya city is also reached by air (1 hour 25 minutes) or TAZARA railway.
4. The **Tanzania Geothermal Development Company Limited (TGDC)** now invites **eligible firms** to indicate their interest in providing the services which

include; overall planning, designing, supervision and management of the drilling programme, time and cost effectiveness and transfer of knowledge to TGDC staff within the period of **twelve (12) Months**. The Drilling Programme includes; planning, well design, development of infrastructure (Access roads and water) and drilling operation of three (3) test (slim) wells.

5. Interested **firms** must provide information indicating that they are qualified to perform the services by submitting a **consultant's profile, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.** Consultants **may** associate to enhance their qualifications.
6. A consultant will be selected in accordance with the Geothermal Risk Mitigation Facility (GRMF) developer Procurement Guidelines
7. Selection of the shortlist will be based on the required capabilities and experience in Management, Supervision and undertaking Prefeasibility study in the similar assignments.
8. Interested eligible consultants may obtain further information from the office of the **Secretary, TGDC Tender Board, Mt. Meru Building, 2<sup>nd</sup> Floor, Mandela Road, P.O. BOX 14801, Dar es salaam** from **09.00 hours to 16.00 hours on Monday to Friday** except on public holidays.
9. Interested Firms are requested to submit written Expressions of Interest (EoI) in **one (1) original and three (3) copies** at or before **10.00 hours local time on Monday 18<sup>th</sup> September, 2017**. The Expression of Interest shall be enclosed in a single sealed envelope and marked "**Expression of Interest for Provision of consultancy services for Planning, Designing, Management and Supervision of Infrastructure and Drilling Programme of Three (3) Test (Slim) Wells and Pre-feasibility Study for Geothermal Reservoir assessment at Ngozi in Mbeya region.**" and shall be submitted to the **Secretary, TGDC Tender Board, Mt. Meru Building, 2<sup>nd</sup> Floor, Mandela Road, P.O.BOX 14801, Dar es salaam**.
10. Late Expressions of Interest shall not be accepted for evaluation irrespective of the circumstances.
